

Hi John,

Would you mind sending me your address? We would like to send you a thank you card :)

Thank you so much for everything done for our ceremony. Everyone is still talking about how lovely the music at the ceremony was :) I can't wait until we get the video so I can hear it all again :D

Thanks!

Good morning John,

I just wanted to say thank you for playing at our wedding- the music was amazing and everyone was commenting on how incredible the ceremony music was. I have had a couple people request your contact information so if it is ok with you I will forward that on to them.

Thanks again! It was perfect!

Hi John,

I just wanted to thank you again for such a great job at the wedding. I cannot tell you how many people approached me about the music at the wedding. Thanks so much for all your help with it.

I could extend a million compliments from many guests on your playing and singing and apparently at the end of The Prayer, the reverend actually mouthed "wow"...gotta love it when it ends and you can hear a pin drop, but when the groom acknowledged you in his speech, there was thunderous applause...

Have a great weekend! I'm sure I'll see you again soon!

Dana :)

Dear John,

We have been waiting for our wedding pictures before sending out thank you cards, but they are taking longer than expected, and there are certain people- you included- that we just couldn't wait any longer to thank.

I was blown away by the music that day. When we entered the church and heard you singing, my parents and I were moved to tears, and then to walk down as Angela sang was probably the most beautiful moment of my life. Thank you for working with her, and thank you for doing such a perfect job that day. We had so many compliments from our guests about the music. Everyone was very impressed! Mike and I feel very lucky that you were able to play for us, and we cannot thank you enough.

Thank you one more time (before the official cards are sent out at least.)

Hi John,

Thank you for the amazing music!!!

It was phenomenal, without question. Brent's family loved the Irish Wedding song it meant a lot to them to hear it (I believe his mom and grandma were tearing up), thank you for learning it, and so quickly. Amazing job.

Thanks so much (and please thank your colleagues as well)
